**NEW PUSH BUTTON CONTAINER OR
QUART-SIZE CAN**

Go-Jo SKIN COAT forms an invisible glove over hands, prevents stubborn grease and grime, carbons, paints, inks, adhesives, detergents, solvents, etc. from penetrating the pores of the skin. Shields against skin irritation from most industrial chemicals and solvents. Siliconized to repel water. Non-sticky formula dries rapidly with no annoying "filmy" feel. Emollient conditioning keeps skin from drying and chapping.
